ISABELA STATE UNIVERSITY (ISU) accelerates IT education standards with Yapster e-Learning!

Isabela State University (ISU), one of the respected higher education institutions in the North launches e-learning this coming school year. With several campuses in the area catering to thousands of college students, ISU spearheads academic advancement as they embark on integrating innovative programs in their curriculum through a partnership with Yapster e-Learning.

Continually improving education standards is one of the many thrusts of ISU President Dr. Miguel P. Ramos together with VP for Academics and Academic Related Affairs, Dr.

Emerenciana B. Claravall, and Director for MIS, Dr. Eliza P. Dela Cruz. Isabela State University is the first university equipped with e-Learning in Region II. Starting this academic year, ICT students can expect an enriched curriculum with Yapster e-Learning courses

integrated in their subjects. Some of the courses include Basic Concepts of Information Technology, Microsoft Windows, Microsoft Word, Microsoft Excel, Microsoft Access, Microsoft PowerPoint, the Internet, email with MS Outlook. C++, HTML and A+ certification. Basic

features of the said e-learning courseware include pre and post assessments, simulations, interactions and more. All courses are equipped with audio and are certified by leading software vendors.

Yapster E-Learning, Inc. is the country's leading e-Learning provider with a growing library of over 1,700 courses on business, IT and Mainframe, English and Banking, Typing, Math, Chemistry, and Physics.
